

# Comfort Membership

**Keeping Your Home and Family  
Comfortable All Year Round  
Guaranteed!**

What do you suppose would happen to your car if you never changed the oil, never checked the tires for wear, or never had it inspected when the check engine light came on? In one way or another, eventually it'd break down. Just like all appliances and amenities, your heating and cooling system require attention to work well—and unfortunately there's no luxury of clear indicators when a problem could be occurring with your system until it's too late.

No one wants to get blindsided by a failure on the coldest or hottest day of the year, and luckily you don't have to! A-Temp is here to provide an easy and affordable way to ensure your comfort all year round. Not only does regular maintenance help avoid unforeseen failures, but it can also pay you back in reducing yearly energy costs—sometimes by as much as 30%!

Our sole purpose is to become familiar with you and your comfort needs. When you join our Comfort Membership, you join our family. We'll be here for you 24/7 to ensure the best possible performance on your current HVAC equipment, as well as the easiest transition when it's time to replace. So please, let our family take care of yours!

As an **A-TEMP** Comfort Member, we want to reward you further for your good decision.

**Your Comfort Membership Benefits:**

- \* Priority Service - Should you have an emergency you will be moved to the front of the line and receive guaranteed service within 24 hours even when our schedule is booked a week out.
- \* Expert Technicians - Our technicians are drug tested, background checked and receive ongoing professional training.
- \* Periodic Safety and Efficiency Inspection - we will schedule every spring/fall a complete safety and efficiency check on your system as well as a thorough cleaning of all necessary components ensuring proper operation before peak season.
- \* Reduced Diagnostic Fee - Receive \$69 diagnostic in lieu of the standard \$169 no matter what our demand is.
- \* 20% Savings on all HVAC Repairs - Receive 20% off any level of repair.
- \* 15% Savings on all Electrical Services - Receive 15% off any level of repair.
- \* 10% Savings on IAQ Services - Receive 10% off any indoor air quality products or services including duct cleaning, filters, uv bulbs, etc.
- \* Lower Utility Bills - recent studies show that regularly scheduled maintenance can save you up to 30% on your heating/cooling bills.
- \* Environmental Responsibility - Doing your part in lowering energy consumption and reducing our carbon footprint.
- \* Protects Equipment warranties - Most major brands require regular maintenance to be performed by a licensed contractor in order to maintain manufacturers warranty
- \* 5% savings on new equipment - Receive 5% off any new equipment purchased for your home.

**PLUS** ~ you will receive up to a \$100 credit on the anniversary of your membership redeemable towards the purchase of new equipment. This can be added together year after year as long as your membership stays in current status. (Furnace Only \$50/yr. up to \$250. System \$100/yr. up to \$500)

\$12.95 per month  
(per furnace)  
**Heating Only**  
(\$155.40 annually)

\$22.95 per month  
(per system)  
**Heating & Cooling**  
(\$275.40 annually)

Note: Your comfort club membership is NOT an insurance policy. The membership provides for routine cleaning, inspection and maintenance along with discounts on equipment and services as described. A-TEMP reserves the right to modify this program without notice.
